Reaching the people of Mongolia and Thailand with the Gospel

Church Planting, Discipleship, Orphanage, Leper home, Gobi Hospital, Pro Life Centers, Feeding Centers
Rescue Missions, Children's Churches, Bible Handouts, and English Lessons.

Oct 2021

Dear Friends in Christ,

Time sure races by. We hope you all are doing well in Jesus this Oct. It's hard to believe that 2021 has almost passed. With Christ, we never have to worry about time. Because we will never die. Praise the Lord for Him.

With Mongolia and Thailand still in lockdown, we continue to work around it the best we can. God has been good and faithful to show us how to handle this difficult situation and still accomplish His work. Our new church plant is chugging along with only 10 people at a time allowed. So, we are having several meetings each week with only 10 people allowed per meeting. But God has always filled each meeting with people hungry for the Gospel. Please remember this new church in prayer.

One of our partner churches in Canton N.C. gave us enough funds to purchase an apartment to open a new prolife center in an unreached area of UlaanBaatar. We thank the Lord for using us to reach the lost in our prolife ministries and help in saving a few of His greatest and most loved creation. People. God is sure using these centers to reach many for Christ. We thank you all for helping us in this work. We are in the process of making the purchase of the apt now. Same as in the States it will take a little time to finish the paperwork then we will make a report with photos. We are excited about this opportunity and praise the Lord.

We have been busy at the orphanage with a water pipe breaking and damaging the floor in the large room where the children sleep. While we are busy replacing the floor and pipes, we were still able to adopt two children, placing them with Mongolian families. International adoptions are halted due to covid, but we are still able to adopt to Mongolian nationals. We praise God for allowing us to find homes for two of our 38 children. Thank you for doing your part in our orphanage ministry. We also took in a new child this month as well.

We are overjoyed that our nephew, Tengis was able to take a group of our church youth to the Gobi and hold church meetings with village people invited to hear the Gospel. Tengis said many people attended, hearing the Gospel for the first time. We thank our Lord for Tengis serving with us. He is doing a great job and needs our prayer.

We have so much in this ministry to report to you. We do not have enough room in a letter to report it all. We are grateful God has given you to serve with us to reach people with the truth of the Gospel. We thank you for your prayer and support. When the borders open, please come and serve with us. We would be blessed. May God continue to bless you in Christ.

Sincerely in Christ's Love,

A handwritten signature in blue ink that reads "Mitch Tillman".

In our upcoming letters we hope to highlight some of the unsung heroes who serve with us in Mongolia and Thailand. We are not alone in this ministry but have many believers that work with us and work hard serving the Lord to reach their country with the Gospel. This month we want to introduce you to Seggii and her daughter Sarangoo. Seggii was the wife of Baljmaa's brother who passed away about 10 years ago with an aneurysm. She was left to take care of 4 children without her husband. Her husband, Muren, was our head Mongolian pastor when he passed. Her and her children was devastated at the passing of their father and her husband.

Instead of allowing this sorrow to devastate her life she got busy for the Lord and went to work in our ministry. She is our accountant for Harbor and pays the bills for all our works. She also is the overseer of our prolife centers. It may not seem like a lot, but she oversees daily operations of five centers and soon to be involved in our new center. She also organizes the ladies Bible studies at all our centers. She is one hard-working lady.

She also raises her four children. One of her daughters, Anuka, is a student at Pensacola Christian College and her son Tengis is serving with us in the ministry as well. She is a great full-time mom and servant of the Lord. She is always happy, and never complains.

Seggii is an inspiration to us all.

We ask that you pray for her as she continues in service. Pray that God will continue to guide her in all she does for her family and the Kingdom. Thank you.

Each month we will introduce you to other unsung heroes that are serving with us in this ministry. May God bless you for your service also.
