Psalm 41:1 Blessed is he that considereth the poor: the LORD will deliver him in time of trouble.

May 2022

Dear Friends and Partners in the Gospel

Hello to all in our Lord Jesus and hope you are well. We have purchased our one-way tickets back to Mongolia and will be leaving June the 14th. I have learned to live with the pain of my torn rotator cuff and will take care of it later. Extra Strength Tylenol helps. They sell that in Mongolia also, so I will be fine until we can schedule surgery, maybe next year. We are grateful for your needed prayer, and I know in my heart your prayer is the thing that helped me. Please keep praying when you have the opportunity. Thank you

We are happy to announce that God has given us the ability to open a new prolife center in a very busy area of UlaanBaatar. We were able to purchase the apartment last week after many months of searching and following Gods directions in choosing the place that He wanted it to be. God led us to this location because of the heavy foot traffic that passes by the front door daily. It is our desire to reach as many people with the Gospel as possible and save some of God's greatest creation. People. Genesis 1:27 So God created man in his own image, in the image of God created he him; male and female created he them.

Even though we are involved in many outreaches and church works, God is truly blessing the prolife area of our ministry with growth. Because of the volume of young ladies that come in our centers we can reach so many that are lost and need Christ. God has supplied us with needed ultrasound machines, Bibles, New Testaments, thousands of Beenie Babies, all the prolife teaching accessories to help them understand that unborn babies are God creation. God has given us good Mongolian Christian counselors to help lead them to Christ. Thank you for doing your part to make this ministry so successful.

The new apartment is old and needs new paint, floors, and sprucing up quite a bit and we will get started on that ASAP. We hope we can open in a few months if all goes well. Prayers needed in this matter also.

We are having our first full Summer Camp since most all Covid rules have been lifted. We are planning to have a big event. The camp will be July 1-3. We will have 3 days of camping, preaching, fun and games. We are hoping for a large group to attend. Please pray for many to come and pray that God will open their hearts to the Gospel and turn to Jesus.

We were honored to have the Eric Petty family visit Mongolia this past month and see Mongolia for the first time. They are members of Victory Baptist in Milton FL, and we ask that you pray for them as they follow God's will.

Please pray for us as we have several church meetings planned before returning to Mongolia. New Mexico, Oklahoma, and Georgia. We have some closer as well and we ask to pray for God to look over us as we travel. Thank you.

All of us at Harbor Evangelism are so blessed to have friends like you that are full of compassion for the lost and less fortunate. Your fervent prayer and financial support are the two things that makes this ministry work. We love you and appreciate you for your support of this ministry. We pray for you daily, and we ask you to pray for us when possible.

Visit us at www.harborevangelism.com Our prayer letters are posted and available for printing anytime.

Continue to pray for our churches in Thailand and Mongolia, our Pastors, our fellow labors in this ministry and our lepers and orphans.

Sincerely Yours in Jesus,

Harbor Evangelism International

Luke 19:10 For the Son of man is come to seek and to save that which was lost.
