*Reaching the people of Mongolia and Thailand with the Gospel*

Church Planting, Discipleship, Orphanage, Leper home, Gobi Hospital, Pro Life Centers, Feeding Centers  
Rescue Missions, Children's Churches, Bible Handouts, and English Lessons.

June 2022

Friends in Christ,

The time has arrived, and we are headed back to Mongolia June the 14<sup>th</sup>. We ask that you pray for our trip home to be a safe and productive one. Our other prayer request is that God will use us in our new church plant to grow the church with people being saved. Please pray for this year's summer camp and that many will turn to Christ at the hearing of the Gospel. We also will be involved in the opening of the new prolife center in UlaanBaatar. When we return, we will be carrying back a new ultrasound machine that was donated by some good friends in Pennsylvania to be used in the prolife ministry. We are grateful to the Lord for this important gift. Please remember all these requests. Thank you.

We were able to purchase some new Bibles this past month that are pictured with Tengis and one of our church youths at left. We are always in the need for Bibles to be given out to new believers and in our prolife centers and rescue missions. We thank the Lord for the ones that gave this month for Bibles. We can never take for granted the power and importance of putting God's Word into people's hands.

**James 1:21 Wherefore lay apart all filthiness and superfluity of naughtiness, and receive with meekness the engrafted word, which is able to save your souls.**

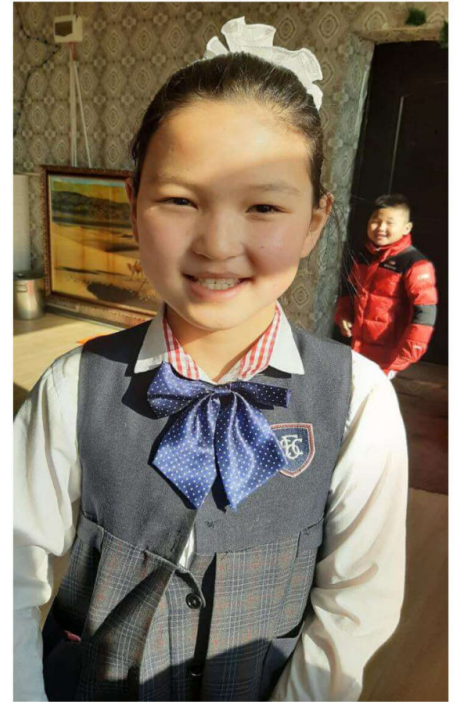

Special Prayer Request: Pictured above are all the older children that we have not been able to adopt out to new families because of Covid. All adoptions have pretty much been stopped. We are praying about turning our Gobi hospital into an extension of our city orphanage. That would require closing the hospital and reopening it into a home for older children. This requires a lot of work and prayer. Please pray for God's guidance in this situation.

We thank you for your partnership with us in the Gospel. May God bless you for continuing your support during these times.

**Titus 2:14 Who gave himself for us, that he might redeem us from all iniquity, and purify unto himself a peculiar people, zealous of good works.**

We welcome a new baby to our orphanage above. His mom is homeless and addicted to alcohol. We continue to grow in all our ministries for children. The two older children pictured above at center and right are new to our Hope Feeding center. They live outside the landfill and come daily after school to eat and hear about Jesus.

Please pray for our Thailand Ministry leaders pictured at left. Please pray for our prolife leaders. Some of them are pictured at left lower. Teng is pictured above with three of our church music and song leaders. Please pray for all.

Sincerely Yours in Christ

*Mitch Tillman*
