Dear Friends in Christ,

July 2022

Hello to all in our Lord Jesus in the month of July. Time sure does fly as we grow older. Half a year has come and gone in the blink of an eye. But God is good and faithful all the time.

We have changed the time of this year's summer camp to July 1-3 so that it would not coincide with the big Mongolian holiday called Nadaam. That is the celebration of Mongolian Independence Day. We will be reporting next month on summer camp. Please pray for hearts to be open at the preaching of the gospel and people to receive Christ. We are expecting 250 at camp this year. We need your prayer in this matter. Thank you.

We have a lot going on this month, but the big news is the opening of our newest prolife center. We completed the remodeling work and have opened and are up and running. The first day we were operating Baljmaa, and I were blessed to be able to witness to two couples in the first hour. The whole day was that way as our Mongolian co workers took over and it was person after person coming through the doors. We say it time after time again that the prolife centers are the best way to reach lost souls in our ministry. We are grateful to God for putting us in this work and we thank you for partnering with us. It is a blessing to be able to reach so many with the Gospel.

This is Don and his wife Hanna. They are German born Koreans that are Baptist missionaries to Mongolia. Hanna is a OGBYN and is serving with our prolife centers full time and Don is a Baptist preacher. We spent a lot of time with them, and God has blessed allowing us to meet. We look forward to working with them both and they will add a lot to our Mongolian ministry. They speak English, German and are studying Mongolian. Please remember them in prayer that God will use them in a mighty way. They will be attending summer camp and we have asked Don to preach the closing message on the last day of camp.

Prayer Request: Tengis and Gaana as they take more responsibility in leading the ministry. My health because of climbing blood pressure. We have two lepers in Thailand that need salvation.

We thank you for your partnership with us in the Gospel. This ministry is not possible without your help. We are grateful.

Sincerely in Christ's Love

Our ministries purpose is solely to reach the lost with the message of salvation only in Christ Jesus. Pictured above are two couples from our prolife centers that prayed to receive Christ and kept the baby God gave them. God is always at work.

Above left is Baljmaa with our new Ultrasound machine given from friends in Pennsylvania. Above right I am with Tengis and Gaana with a new pastoral book written by a good friend Dr. Stanly Kilgore that we will be using in our ministry to help our pastors.
