September 2022

Dear Friends in Christ,

Hello to all in the name of Jesus. We hope this letter finds you doing well in His grace. This month we would like to report on what the Lord is doing at the Hope Center next to the city land fill. Due to inflation around the world the Mongolia's economy is in a terrible state, we are seeing a lot more children and some adults coming daily to the feeding center in search of food. What a great opportunity to shine the light of Christ and reach them with the gospel after they enjoy a good meal. We have really had a large flow of new children come in our center. We praise the Lord for the opportunity to help.

This past month we had reunion Saturday where we invited some of the children that grew up attending the center and church to come back and visit. Pictured at right are some of the ones that returned for the reunion. We had a big open event and invited the neighborhood and gave out free ice cream to all that attended. Then we had a meeting where the gospel was preached. We had over 60 people in attendance at the meeting that day who stayed and heard the gospel. We thank the Lord for these opportunities to tell the story of Jesus to the people that live inside and outside the landfill.

This has been one of our best outreach ministries for reaching the lost. This past summer camp half of the ones who were saved and baptized, came from this feeding center and church. God has been good. We thank you for your compassion for these people.

When we invite new children to our feeding centers and children churches, we always furnish them with a new children's

Bible to keep for their very own. They take them home and bring them to church. We are in constant need for new story Bibles like the one pictured at left. We praise the Lord that we were able to order and purchase 50 new Bibles this past month for our children. The children have never seen a story Bible and they really love and cherish their Bibles. We are grateful for your giving to make this possible. Psalm 107:20 He sent his word, and healed them, and delivered them from their destructions.

We will be traveling to our work with the lepers in Chiang Rai Thailand September 14th. Please pray for us as we minister to the lepers at Home of Grace and preach the gospel to the lost. Please pray that God will use us for His glory and for Him to show us a way to reach more with the gospel. We need prayer to grow the

work in Thailand. We are grateful for your partnership. You all are a blessing to us, and we love you in our Lord Jesus. We pray that God will keep you in Christ and His grace.

Sincerely in Jesus,

Mitch Tillman and Family
