Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel.

Dear Partners in the Gospel,

December 2022

Another year has come and gone, and it absolutely flew by. They seem to arrive faster each year. Even with its super-fast appearance, Christmas is a fantastic time of year as we celebrate the birth of our Lord Jesus. It's an exciting time for ministry at churches in the States as well for ours in Mongolia and Thailand. Our churches and outreach ministries are busy preparing for Christmas plays to be performed for believers and unbelievers alike. Every year our folks love to invite lost friends and family to hear the Gospel as we present the birth of Christ. Here are some other things going on around the work also:

We are in the middle of additional construction work at one of our prolife centers. We are enlarging and redesigning the waiting area. God has blessed us with ladies coming into the center and we are in need more room while they wait to be counseled. We praise the Lord for the abundance of couples to witness to. These centers seem to become extra busy in the winter months. It's a great opportunity to share the gospel.

Fifteen of our Hope Center church members with Pastor Mukhulai are going on a gospel preaching trip into the Gobi Desert this December. They will visit several villages, spreading the gospel through personal witnessing and passing out salvation literature and Bibles. We will supply the van, gas, food and the Bibles. Many of the villages will be hearing the gospel for the first time. We thank you for your partnership. Please pray for people to be saved.

We thank you for your generosity in giving to this ministry. Because of you, we are continuing to grow and reach more and more people with the gospel of Jesus. We are always grateful for you, and we are even more thankful at this time of year. Because of you we can do this.

Philippians 4:17 Not because I desire a gift: but I desire fruit that may abound to your account.

Every day through our orphanage and feeding centers, and on Sundays at our churches we have around 400 children that we minister to. Each Christmas we try and buy them some small gift. If God leads you to help in some way, it will be much appreciated. Online giving is possible also at www.harborevangelism.com All gifts will be used for the children and our lepers in Thailand. We will share photos and updates in our January prayer letter.

We pray the God will grant you a very Merry Christmas. Please pray that God send us a man who desires to pastor our new church plant. We know that financial times are hard currently, and we are grateful for your sacrificial giving. Please remember us in prayer as we will pray for you. We truly need your prayer.

Sincerely In Christ's Love

Mail service in the US has become very slow and unreliable. We mail monthly prayer letter to all our partners. If you do not receive a prayer letter, they are available online at www.harborevangelism.com.

Merry Christmas
