February 2023

Dear Family in Christ,

We hope you are doing well in the love of our heavenly Father. Last month we asked if you could pray for my mom, Joann Tillman due to a bad case of pneumonia. We are happy to report that she is out of the hospital and better than before. We are grateful to our Lord for His mercy and grace, and we thank you for your prayers. Prayer Works.

We mentioned in the January letter that we would be here with our nephew Tengis and his family visiting our church partners until March 2023. We are happy to report that every Sunday is filled with meetings. We appreciate your response and will be traveling for two months and then head back to Mongolia. Please remember us in prayer as we travel for safety concerns.

As we travel and visit partners in the States, our coworkers carry on the work in Mongolia. Please pray for our youth leader, Erdene, pictured left standing, leading a discipleship class at our English school and church plant. We ask that you continue to pray for a Mongolian pastor for this church.

Please pray for our city church members who are pictured at right as they continue week after week carrying the gospel to the villages in the Gobi. Witnessing, passing out tracks and Bibles. There are so many small towns that have never heard the gospel. We are so blessed that our folks love to see their people come to Christ.

**II Peter 3:9** The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.

We thank you for serving with us and our co-workers in Mongolia and Thailand to reach the lost with the gospel. It is impossible to do this without you. We are grateful.

Sincerely yours in Christ

## *From Shamanism to Christianity*

Pictured above are two pictures of our Gobi Desert church members in two separate villages.

A new orphan in our orphanage abandoned by his parents and brought to us. We have had him for about 1 month. A young girl above right in one of our prolife centers. Seeing her baby in a sonogram and hearing the gospel.

Acts 26:18 To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me.
