Dear Friends in Christ,

April 2023

What a blessing it is to be able to update this past month's news and prayer request. We pray this letter finds you well in Jesus.

We have had a busy month being able to travel and visit some of our partner churches in the gospel. This past March we went to Alabama, Tennessee, Maryland, and Illinois. We had Tengis and his family traveling with us so that would be nine of us total. Some of our good friends in Sardis MS loaned us their 15 passenger Ford church van, which made our travels a lot more comfortable. But with that many people in a van together it was still an experience to say the least. We praise the Lord for his protection over many miles. Our God is good to us.

Tengis and his family have returned to Mongolia to serve, and we will remain here to complete additional meetings that we have scheduled. We will finish our work Stateside then return to Mongolia the first part of June. We have a full calendar for the remainder of our stay in the States. We have enjoyed visiting and look forward to returning and having summer camp in late June. Summer camp for us is the highlight of the year. We look forward to it.

**Update on mom.** My family and I are grateful for the churches and individuals who have continued to support my mom after the death of dad. She will be 89 this April the 10<sup>th</sup> and is doing well. Due to her declining health, she is unable to write but wishes you the best. And she can live a stress-free life thanks to your kindness in giving and praying.

We have been blessed in Mongolia and Thailand with a lot of good national pastors and fellow servants who serve the Lord with us. Every outreach ministry that God has given us is led by people that we know personally and have disciplined through Bible teaching and a personal relationship. We do not just teach them in a classroom setting but we have a close relationship that we have spent years cultivating. We have made this the focus of our ministry.

**“Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen.”**

All our pastors and ministry leaders have been taught to also follow the teaching of Jesus that we have instilled in them from the beginning of our ministry. We believe that the reason our work is so blessed is that we follow the verses above. And our people also follow the above commandments of Christ. This discipleship training goes on year-round. Not with just us but with all our Mongolian and Thailand Church people and leaders. Discipleship is number 1 in our ministry. I believe it's also number 1 with God. Please remember us and our discipleship teachers and leaders in prayer.

Because of your prayer and financial support, we can carry out the calling that God has placed in our hearts. Our hearts desire is that every person in Mongolia and Thailand hear the gospel and have the opportunity to be saved. We know that there are many missionaries you can partner with and help. We thank you for God leading you to help this ministry.

Sincerely Yours in Jesus,

2 Thessalonians 3:1 Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you:

## From Shamanism to Christianity

Two separate discipleship classes being held in the Gobi on the left and in our home church, on the right in Ulaabaatar

One of our caregivers at Home of Grace leper home in Thailand. Some of the lepers are unable to feed themselves due to their sickness. God is so good.

Some of the children who attend our feeding center next to the city landfill. God has supplied a ping pong table for them to have some fun.

O taste and see that the LORD is good: blessed is the man that trusteth in him.
