October 2023

Dear Friends in Christ,

A few months ago, we ask if you would pray for one of our faithful and long-time co-workers in Mongolia. She is the teacher of 3 children's churches in Ulaanbaatar and was diagnosed with cancer. Because of God's grace and your prayers Ganbat's cancer is now in remission. We praise the Lord for that, and we are grateful for your prayer. Thank you.

After months of avoiding the issue and trying to fix my shoulder with rehab and prayer, we have scheduled surgery for Oct 5th in Jackson TN. The doctor assured us that it was a small tear and will be common and an easy fix for me and him. I have put it off due to the time to heal but the pain will not go away, and I am hoping this will work. Your prayer is appreciated and needed.

God blessed us again this past week with yet another medical missions trip in Mongolia. This time Manna Worldwide from Fort Worth, TX supplied the needed medicines and team of doctors and nurses to help the sick and share the gospel throughout our ministry. We supplied the locations, translators, vehicles, and gospel material for the mission. Manna covered all the expenses as the team worked in the Gobi hospital, the landfill Hope Center, and our home church in Ulaanbaatar. The medical team was assembled from 4 churches in Idaho, Ohio, and Texas. They were a hard-working group that stayed 10 days and treated hundreds of people and we were able to use this opportunity to reach those hundreds with the gospel. We are grateful to them for helping us be a light for Christ and to verbally witness to many lost souls.

This past month was a busy one at our orphanage. We received two new babies and placed one of our regulars in a new home with her new family. We now have 37 children in our care. We thank you for your financial support and prayer that enabled us to care for these children. God has allowed us to operate for over 18 years and we have placed about 220 children with new families. We thank you for making this possible. God is so good to us.

We thank you for your continued prayer for A (nickname) the director of our leper colony in Thailand. He is recovering well after his fall a few months ago. We will be traveling there to minister to the lepers and help him out after my surgery. Continue to pray for him and our lepers.

If you would like to receive our monthly prayer letter you can sign up for an emailed copy at our web page. Plus, you can get copies of all our past letters that are posted on the page.

Our web page heaven.mn is now running with TV ads and many are login on to it. Please pray that God will use it and the other outreach ministries to reach many lost souls with the gospel. Thank you for doing your part with us in this work.

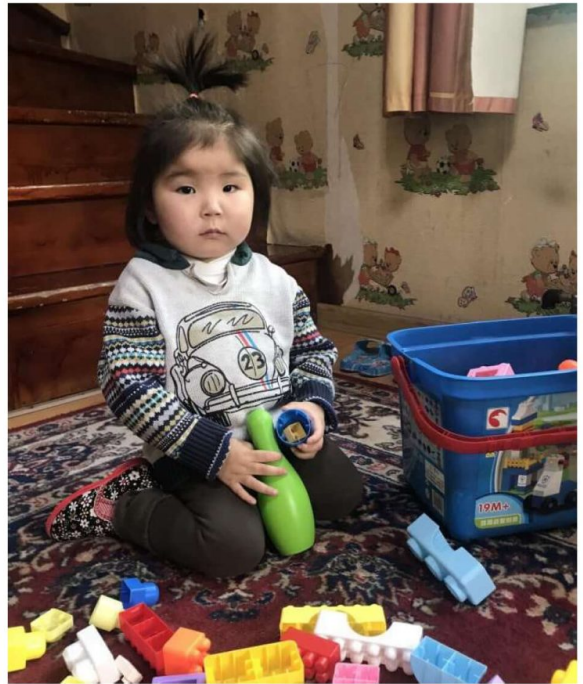

Sincerely Yours in Christ,

Mitch and Baljmaa Tillman
Harbor Evangelism

2 Corinthians 9:8 "And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work:"

Top, right and lower photos are of the medical group that ministered to hundreds last month. We looked at adults and children.

The young lady above left is at our Hope Center and she is being looked at by one of the doctors from the States.

The beautiful young lady at above right is one of the two new children that we received at our orphanage last month. She was found wandering on the streets abandoned. We will be searching for her family and if we cannot find them, we will start the paperwork for adoption. This will take a while.
