Reaching the people of Mongolia and Thailand with the Gospel

Church Planting, Discipleship, Orphanage, Leper home, Gobi Hospital, Pro Life Centers, Feeding Centers
Rescue Missions, Children's Churches, Bible Handouts, and English Lessons.

November 2023

Dear Fellow Servants in the Gospel,

We would like to start by thanking you for your prayers for my rotator cuff surgery. Because of God's grace and your faithful prayer all is doing well and the healing process is going as should. We are grateful. The physical rehab begins in two weeks shortly after the sling is removed. Your continued prayer for healing will be appreciated.

Your financial support of this work allowed us to do several things this past month. We were able to put a much needed new furnace at our Hope Feeding Center. The children are able to now eat and have Bible study in a nice warm room. We are thankful to the ones who gave to this special need. God has also called two young people from our church to start teaching Bible at the Hope Center. They are newly married and are eager to serve the Lord together. They also will travel once a week to our orphanage to teach Bible there as well. Pictured at right are Sulde and his wife Uchka. Please remember them in prayer.

We are also happy to report that more than 600 women and teens were witnessed to at our five pro-life centers this past month in Mongolia. Some of them decided to keep their babies and some of them prayed to receive Christ. Pictured below is one of the women who did both. We praise the Lord that He has given us the ability to reach many with the gospel through this work.

In Thailand, this past month, we were able to add two more people to our Home of Grace leper home. As you may know leprosy has been eradicated around the world. We have room to help people who do not necessarily have leprosy. One of the people that moved into our home is elderly and deaf. The other is severely handicapped. Both are lost without Christ and God has given us the opportunity, with them living in our home, to hear the gospel and be saved. This is why we're continuing this work in Thailand, to reach the lost. We thank you for your help in doing this.

We close in asking that you please pray for Tengis as he is having microdiscectomy surgery this week in Mongolia. He has been having back problems most of his young life and we pray that this surgery will help relieve some of that pain.

We love you and our Lord Jesus and we thank you and appreciate you for your work with us in this ministry as we continue to reach the lost in Mongolia and Thailand.

Sincerely in Christ's Love

Mitch Tillman

Harbor Evangelism

New additions to Home of Grace in Thailand. Both of these men are lost and need prayer. Please pray for them to be saved

Pictured at left is one of the 40 orphans that we take care of in our orphanage. We have a Christmas celebration each year with our orphans and all of our children in our feeding centers and children churches. We are planning to buy each one a gift. if God leads you to financially help, we would greatly appreciate it.

We have more than 400 children we minister to in Mongolia and we also are planning to present gifts to our 10 lepers in our leper home. We would be grateful for anything God leads you to help with.
