

Dear Friends in Christ,

December 2023

Hello to all our praying friends and partners in the Lord's service. We are grateful to you for your financial and prayer support for this ministry over the past year. You are a blessing to us and all the people that God has called us to reach with the gospel in Mongolia and Thailand. We pray that you have a wonderful Christmas as we celebrate the day set aside to honor the birth of our Lord Jesus.

Prayer Update: My surgery and physical therapy are going well, and it seems that we will be ready to return to Thailand in January of 2024. All went well and thank you for your prayer. Tengis's back surgery went well, and he is also now in therapy. He reports that it is going as expected and asks me to thank you all for your prayers and support. Prayer works.

Thailand Update: We had one of our oldest lepers pass away this past week and have already been able to fill her bed and then some. Her name was Som and she was a professing believer and is now in Heaven with our Savior. We have taken in two lost souls. One is an 89-year-old man and the other is a handicapped young man that is bedridden. Both are lost and need prayer for salvation. We are now at full capacity with 10 lepers, the sick, and elderly in our care. Pray for our workers, and pastor at Home of Grace.

Mongolia Update: We have taken in two new babies into our orphanage, and we adopted out two also. They were both placed in Mongolian homes with a new family. Our home churches pastor resigned and moved back to the Gobi to live. He has been with us many years and please pray for him and his family as he seeks God's will in his life. He is not only a good pastor but a friend and will be missed.

Please pray for Tengis as he fills in and continues to lead our new church plant. He is a busy young man.

Due to the very poor mail service, we have made it possible for churches and individuals to give on our web page. We constantly must help track down lost mail and this way it is more secure. We hope this helps make it easier to give.

Prayer request: Every year we have Christmas services in all our churches and outreach ministries. We have around 500 children in our ministries and are giving small gifts to each one. If God leads you to help, we would appreciate it very much.

Without your prayer and support we can do nothing. We love you in our Lord and we hope you have a very Merry Christmas.

Sincerely Yours in Christ

Mitch and Baljmaa Tillman

One of our two new residents at left of “Home of Grace” in Thailand. He’s in need of salvation and needs prayer. The funeral for our long-time member that passed away last month was held at our leper home. Many lost family members and village friends attended and heard the gospel. Pictured above at Home of Grace

Youth meeting above in the Gobi Church.

Tengis preaching at left.

Below is one of the new babies in our orphanage.
