Dear Friends in Christ,

We would like to start by wishing you all a very blessed 2024 and we pray that you have a glorious coming year in Jesus. We also want to thank you all for giving above and beyond what was needed in helping with our Christmas giving for the children in Mongolia and the lepers in Thailand. We had over 400 children to purchase gifts for and you came through with very generous hearts. We are grateful to the Lord and to you.

We ask that you continue to pray for us as we start the new year in continuing the work that God has called us to do. That is to reach the lost with the gospel and have compassion on the needy. Thank you for doing your part in this ministry.

Every gift that was given to a child or adult contained the gospel message in print and was taken home for the family to read. We are attaching as many photos as possible to show you some of the folks that were reached with the gospel. So, this will not be a long letter. We pray that God will send you our way on a missions trip this year. We also will be heading back to Thailand on January 15th and will have an update in our February letter. We thank you so much for your partnership with us in this gospel ministry. We love you all in Christ.

Sincerely Yours in Jesus,

Mitch Tillman

Pictures above and right are some of the 70 women with their children who attended the prolife ministry Christmas party with their children who they decided to keep. What a blessing to see the joy in the lives of the ones who have also decided to be saved.

In our many feeding centers we have over 200 children who were able to hear the gospel message at Christmas. All 200 were also able to receive a gift from you back in the States. These are a few photos at the Hope Center outside the city landfill. We feed 50 children each day during the year. God brought more than 50 this day. What a blessing

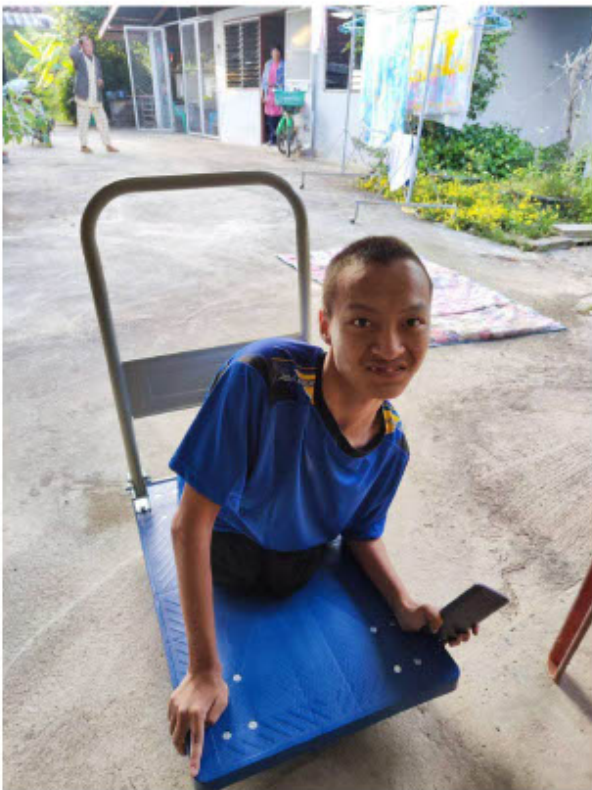

We do not have the space to show photos from all our centers. This is only at the Hope Center

Matthew 25:40 "And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

All 38 of our orphans received a gift and participated in a play at the orphanage about the birth of Christ. Thank you for your giving and prayer.

We had a great Christmas at Home of Grace leper home in Thailand. Pictured above is our pastor Tan giving gifts to two of our lepers and pictured at lower right is one of our new residents who does not have legs. Because of your giving we were able to buy him a new trolley so we can move him around more easily. We are grateful to you and God for your compassion in giving and praying.
