Dear Friends in Christ,

My wife and I continue to be a part due to the work of the ministry. She is in Mongolia working on a short film translation named the Gospel Project. This is a very well put together movie produced by Evangelist Caleb Garraway. His ministry asked if we could help with the translation and voice over into the Mongolian language and we were honored to be asked to help. We should be finished in a month or so and look forward to using this film to help us reach the people of Mongolia with the gospel. The film is on YouTube under the title, The Gospel Film. If you have time, look it up. It is a very powerful film. We believe it can help make an impact in Mongolia.

I have been stateside attending meetings updating some of our partner churches in Mississippi, Tennessee, South Carolina and Georgia. The month of May is full every weekend and am planning on returning to Mongolia in June. Hopefully we will be back together soon as a family in Mongolia. We appreciate your prayers.

This ministry was built with the focal point being discipleship. Over the years we have been able to disciple hundreds of new believers on the fundamentals of our faith. This continues today through Tengis and our other pastors and church leaders. While Baljmaa and I are busy we feel confident in knowing that our church leaders are also busy with discipling new Christians. We have added a photo of one class that is held 3 days per week in UlaanBaatar. Tengis is doing a great job directing these young believers who have put their faith in Christ.

We are also asking if you will pray for our new Gobi pastor Myky who moved from the Hope Center in Ulaanbaatar to lead the church in the Gobi after our long-term pastor resigned last month. He is a good young man and is drawing a lot of young people to the Lord and church attendance. We are posting a photo of Myky with the youth below in the Gobi. These pictured are new youth in the church.

Because of your giving we can purchase the vehicle we asked for help with last month. We praise the Lord and thank the ones that gave. We are now ready to get back on the road thank you.

We will be preparing this month for our yearly summer camp and need your prayers. Please pray that people will be saved through the preaching of the gospel.

You are a blessing to us and all we are trying to reach in Mongolia and Thailand. We are grateful for all you do for us.

Sincerely Yours in Christ
